# Governance of the NCIMS

Procedures Governing  
the  
Cooperative State-Public Health Service  
Food and Drug Administration Program  
of the  
National Conference on Interstate Milk Shipments

Commonly referred to as “The Procedures” which includes:

- Constitution of the NCIMS
- Bylaws of the NCIMS
- Memorandum of Understanding Between the U.S. FDA and the NCIMS
- Other Related Documents

The Delegate Assembly, Councils, Committees, and Executive Board of the Conference all employ the current version of Robert’s Rules of Order in the conduct of their meetings. In any issue of governance or operation of the Conference in which the Procedures are at odds with Robert’s Rules of Order, the Procedures take precedence.

# **PARLIAMENTARY LAW RESTS ON** **CERTAIN PRINCIPLES:**

## **THE PRINCIPLE OF RIGHTS**

- THE RIGHT OF THE MAJORITY TO ULTIMATELY RULE
- THE RIGHT OF THE MINORITY TO BE HEARD
- THE RIGHT OF THE INDIVIDUAL TO PARTICIPATE IN DECISION MAKING

## **THE PRINCIPLE OF ONE THING AT A TIME**

## **THE PRINCIPLE OF BALANCE**

BETWEEN AFFIRMATIVE AND NEGATIVE ...ALTERNATING PRO AND CON DEBATE AND BOTH AFFIRMATIVE AND NEGATIVE VOTES BE TAKEN ON MOTIONS

## **RIGHT OF PARLIAMENTARY COURTESY**

ONE MUST DEBATE MEASURES, NOT MEMBERS

# DEFINITIONS

- **CHAIR** – The presiding officer or the position from which that person presides.
- **FLOOR** – The position of persons other than the presiding officers or the right to have the attention of the group.
- **FORM** - Typical wording usually applied to motions or documents.
- **MEETING** - An official gathering of members to transact business for a period during which there is no interruption longer than a recess.
- **MEMBER** - A person with the right to full participation, including the right to vote.
- **MOTION** - A formal proposal by a member in a meeting that the assembly take certain action.
- **PENDING** - Being processed by the chair...not yet disposed of.
- **PRECEDENCE** - Priority of rank applied to motions.
- **QUESTION** - A synonym for motion...calling for a vote on a motion.
- **SESSION** - One or more connected meetings transacting a single order of business.
- **TABLE** - The desk...to lay on the table means entrusting to the care of the secretary for consideration at a future point in time.

# INTRODUCTION OF BUSINESS

- **GENERAL METHOD** – All business should be brought before the assembly by a motion of a member or by the presentation of communication to the assembly.
- **OBTAINING THE FLOOR** – Before a member can make a motion or address the assembly on any motion it is necessary that he/she obtain the floor, that is to obtain the right to speak from the chair.
- **MOTIONS** – Before a subject is open to debate, three steps are necessary: first, a motion must be made; secondly, the motion must receive a second; finally, the presiding officer states the motion and discussion may begin.
- **OPENING DEBATE** – The chair opens debate on a debatable motion by stating “are you ready for the question” (not to be confused with a call for question as in calling for the vote). More typically the chair states “is there discussion”?
- **DIVIDING A MOTION** – When a motion is complicated and capable of being made into several motions, a member may make a motion to divide the question. this motion requires a second and is amendable.

# **MOTIONS REVIEWED BY THEIR OBJECTS**

They are proposed in any upward sequence and put to vote in the opposite downward sequence.**

- **COMMIT OR REFER**
- **AMEND**
- **POSTPONE INDEFINITELY**
- **MAIN MOTION**

# SIX BASIC FACTS ABOUT EACH MOTION

The following table gives six basic facts about each motion. The motions are in alphabetical order by their key words. Because no table can include all exceptions and variations, the reader should use this table as a quick reference. Two-thirds votes, for instance, are *especially likely to have important qualifications*.

The abbreviations are the following:

**Anoth** = is in order when another person has the floor

**Sec** = requires a second

**Deb** = is debatable

**Amd** = is amendable

**Maj** = requires a majority vote

**2/3** = requires a two-thirds vote

**C** = is decided by the chair

**Auto** = automatic upon demand

**Rec** = is re-considerable

**A** = only in the affirmative

**N** = only if negative.

**-** = NOT.... [Thus, -Deb means NOT DEBATABLE]

**RecA** = means re-considerable only if the vote was affirmative
